

TEACHING EVALUATIONS SPRING SEMESTER 2018

Attached is the report for your Spring 2018 course. The report reflects the policy and procedures published in the Faculty Handbook, Section II-8, pages 13-15.

Presentation of Data

This report provides the average values of all individual questions in several areas. Items 1-8 ask about the course, items 9-18 ask about the instructor and items 19-23 include any items you might have supplied to your students. The top of page one shows a legend to help you interpret your data. There is no single overall summary of the individual items.

The second part of this report contains a histogram which faculty requested to help visualize results. The third section contains a profile of responses for the course. And finally, the report reproduces the written comments provided by students.

Maintenance of Data

Student feedback for Spring courses is not uploaded to Fortis and is not maintained in a faculty member's personnel file in the Provost's Office.

The completed paper forms for the Students' Perception of Teaching responses will be available for pick-up in Alamance 118 until the end of July 2018. At that time the paper forms will be shredded. Please make plans to pick up your evaluations by that date or notify Sheyenne Michelizzi in the Provost's Office to have her pull and hold your forms through the summer.

Use of Data

While we are pleased to present these reports on how your students perceived your course, you will want to remember that the Faculty Handbook language says ..."evaluation of faculty members' overall teaching effectiveness should always be considered in relation to at least one other form of teaching evaluation including teaching portfolios, peer evaluations, and other devices." For help in developing additional methods to evaluate your teaching, contact the Center for the Advancement of Teaching and Learning.

Sincerely,

The Office of the Provost and Academic Affairs
